Street

there would have been practically no market during the morning.

Along in the afternoon things bright ned up a bit. Financiers regarded ened up a bit. Financiers regarded the statement of the Nebraskan's amalgam's captain that he saw no submarine as a hopeful indication against more trouble with Germany, so the market gained some strength. On the whole the tendency was upward and most the tendency that the tendency the tendency that the tend the tendency was upward and most stocks in which there was any trading howed fractional gains.

Business on Cotton Exchange was n doldrums, with relatively small Stocks in Which There Is transactions and narrow fluctuations

In the Chicago Wheat Pit there was the only semblance of market pat an activity. There May wheat, as it nears settlement day, had a decided slump, going down seven cents a COTTON IN DOLDRUMS. bushel to \$1.48 from yesterday's price. Other options were somewhat weak n sympathy with this purely specu-

Close attention is being given in Wall Street to conditions of foreign finance, particularly about the tide of gold flowing to America. Statements. of the Banks of England and of France were cabled across and studied to see whether their gold reserves show significant decrease. There was ended animation to-day because nothing especially indicative, save ertainty about international re- that the Bank of France last week had a less of \$,000,000 francs in gold (\$1,600,000) while the Bank of England released \$1,000,000.

Lazard Freres reported the arrival ania affair and until something of \$2,000,000 in gold, presumably from definite about the Nebraskan in- | France, but other banking houses made no reports of gold movements. ne of the leading securities on There are indications that the British be Stock Exchange list did not appear censorship has extended to gold news in the ticker tape up to 1 o'clock. No as well as war news. Nobody outside whatever was done in Lehigh a few bankers knows how much of Valley, New York Central, Erie, Am. the Ottawa gold pile belonging to England is being shipped to New York to pay for the enormous purchases CHICAGO

made in this country for the allies.

Foreign exchange was just a shade better than yesterday in favor of the England, France and Italy. The English pound sterling was quoted at \$4.78 f.-8, which is equivalent to a discount of seven cents off the regular rate of exchange. An English gold sovereign is worth \$4.86 in New York. but the British attempt to pay for brought realizing sales and there was purchases in paper credits instead of further pressure in May delivery, which releasing actual gold is growing more costly as the balance of trade piles 1421-2. Offerings were higher on the States.

HOW TO BE SLIM

By Winifred Grace Forcest.

If you are too fat and want to reduce your weight 15 or 20 pounds, don't starve and weaken your eyetem, or think you must always he laughed at on account of your fat, but go to any good druggist, and get a box of Oil of Korein capsules, take one after each mad and here before each

a box of Oil of Korein capsules, take one after each meal and one before retiring at night.

Weigh yourself once a week and note what a pleasant and reliable method this is for removing superfluous fat from any part of the body. It costs little, is absolutely harmless and I am sure a week's trial should convince anyone that it is unincessary to be burdened with even a single pound of unstability. even a single pound of unsightly

WE GIVE SURETY COUPONS
